

FEATURES & INNOVATION

AEG was founded in Germany over a century ago on a simple philosophy: everything it designs should be perfect in both form and function.

Not only in our appliances but also in the products offering smart solutions for daily care and use of all household appliances.

AEG accessories and consumables are developed with meticulous attention to consumer's needs, performance and product safety.

DESCALER

It delivers optimum performance: cleaning pipes and drum in the washing machine and dishwasher. This product is ideal for hard water areas. 200 g

Code: 902 979 104/4
Com. ref. AC5A

DEGREASER

This special degreaser removes grease and food deposits in the dishwasher, even in places that cannot be reached manually. It prevents build up of unpleasant smells. 200 g

The new range 2011

DISHWASHER

Perfect dishwasher cleaning

Using a dishwasher can save time, but the biggest benefit is having hygienically clean dishes - because the washing is done at high temperatures, using highly efficient cleaning agents.

FRIDGE

Perfect fridge cleaning

The fridge is one of the most important appliances in the kitchen, you have to care and maintain it regularly so the appliance runs efficiently.

AEG proposed two specific products to clean and to avoid bad smell in the fridge.

COOKING

Perfect kitchen cleaning

Clean the ceramic or stainless steel hob and the oven with the right products: professional and high quality to ensure only the best result.

TABS

The enhanced formula with enzymes ensures perfect cleaning on difficult stains, like sauce, egg and coffee. Suitable for any water hardness. Lemon scent. 25 pcs - 500 g

Code: 902 979 102/8
Com. ref. AC3A

SALT

Stops the build-up of limescale and improves the overall shine of tableware: the salt should be kept topped up at every cycle, especially in hard water areas. 1 Kg

Code: 902 979 103/6
Com. ref. AC4

RINSE AID

This special rinse aid ensures sparkling cleanliness and spotless tableware. It stops water droplets clinging to the surface of cutlery, glasses and crockery. 250 ml

Code: 902 979 101/0
Com. ref. AC2A

FRIDGE DEODORISING GEL

This special Igloo contains a gel with a deodorising agent to remove all unpleasant smells from your refrigerator. Life cycle: approximately 3 months. Perfume free.

Code: 902 979 110/1
Com. ref. AC11

FRIDGE CLEANER

This biodegradable product sanitizes and cleans your refrigerator, both internally and externally, preventing the building-up of bad smells. Spray 500 ml

Code: 902 979 111/9
Com. ref. AC12A

STAINLESS STEEL CLEANER

Cleans and protects all stainless steel surfaces (hobs, cooker hoods, stainless steel oven doors, sinks or fridges). Leaves a silicone water-resistant film to protect surface. 250 ml

Code: 902 979 105/1
Com. ref. AC6A

CERAMIC HOB PRODUCTS

Special high-quality detergent and scraper for the cleaning and maintenance of induction hot plates, ceramic and glass hobs.

Code: 902 979 106/9 - AC7A cleaner
Code: 902 979 108/5 - AC9 scraper
Code: 902 979 109/3 - AC10 blades

OVEN CLEANER

This cleaner dissolves grease and removes burnt on food deposits from ovens, shelves and electric grills keeping the interior of the oven looking great for longer. 500 ml

Code: 902 979 107/7
Com. ref. AC8A
